## WORK EXPERIENCE

### EDITOR:

#### GREENPEACE

Editor - 2018 to present

Investigative documentary on the Keystone pipeline leak in South Dakota that has devastated the nearby farming community.

#### AARP

Editor - 2017

Documentary about the often times eccentric senior citizens who attend the Burning Man Festival and their contributions to the playa community.

#### DEFY MEDIA

Editor - 2016 to present

Various projects including a docu-series of young women telling personal stories for teenage audience, as well as comedy shorts to feature product sponsorship for Defy Media's various web-based shows.

#### KPCC

Editor - 2017

Created compelling video of Gala event to increase donor participation both monetarily throughout the KPCC's fiscal year, as well as increase attendance at each year's fundraising Gala.

#### WEB SERIES

Editor - 2010 to present

Editor for online narrative content such as *The Voices in Our Head* (comedy for YouTube), *Mermaids* (comedy for YouTube), *The Exorcists* (comedy for YouTube), *Storytime* (comedy for Channel 101), and *The Hairdos* (comedy for YouTube).

#### COMMERCIALS

Editor - 2015 to present

Variety of 30 second commercials (intended for web distribution), including companies such as Gap Kids, Nair, and Lays Potato Chips.

### PRODUCER:

#### NAT GEO

Associate Story Producer - Die Trying 2012 - 2013

Crafted series storyline and individual episode storylines for show dedicated to dangerous adventures involving some of the world's natural wonders.

#### OWN

Associate Story Producer - Blackboard Wars 2011 - 2012

Crafted series storyline for docu-reality show about an underperforming high school in New Orleans, post-Hurricane Katrina.

#### LONG WALK HOME

Producer - Welcome to Hollywood... Florida (Pilot) 2010

Responsible for overseeing production of ½ hour comedy pilot with over 60 cast and crew members.
